# DASCOM

# 1225

**Tally DASCOM**

## Highlights at a glance:

- Compact 24-pin wide carriage printer

- Up to 498 characters per second

- Ideal for front and back office applications

- Auto switching USB and parallel interface

- Long life ribbon

The Tally Dascom 1225 is a 24 pin, 136 column serial dot matrix printer with USB and parallel interfaces as standard. The wide carriage printer is perfect for industrial environments and front and back office applications.

With low running costs, high quality output and an easy to use control panel it's ideal for low volume listing reports, invoices and other critical documents, as well as dispatch notes and labels.

In addition to these applications, the 1225 is also well suited for measurement and control systems.

Amongst the lowest priced matrix printers available today the 1225 also offers a long life ribbon which means fewer ribbon changes, less downtime and lower running costs.
